

## Fin Addict Angler Foundation

Educate

Engage

**Empower** 

## YOLUNTEERS We Thank You

The Fin Addict Angler Foundation would like to thank our many volunteers for their time and dedication. When we think of you, these words come to mind: LOVING, COMMITTED, DEPENDABLE, ENERGETIC, AND PASSIONATE. Without you, we would not be able to achieve our goal, to bring people back to the great outdoors by combining an appreciation for the sport of fishing with a respect for one of our greatest natural resources — water. With you by our side, we have been able to Educate, Engage, and Empower children and their families across the state of Texas for the last three years. Thank you for choosing to be a part of the Fin Addict Angler Team.

Your time, the early and long hours often in the sun, the miles traveled to and from events, the willingness to learn new things, your patience, your leadership, your teaching, your kind words, your SMILE, and your PRESENCE is so special and vital to all we do. Your work does not go unnoticed, is never taken lightly, and always matters to us and more importantly our participants.

Our vision and your heart allows us to not just "teach fishing" but to reach the heart of communities and leave a lasting impact everywhere we go. We are well in to our fourth year and the number of children impacted grows with every passing year. In 2019, the Fin Addict Angler team has reached over 1000 children through multiple events. We are blessed to have been a part of several free public events with the San Antonio River Authority, as well as working with home school groups, veterans, the San Antonio Police Department, Boys and Girls Club, St. P.J.'s children's home, and many others. The lives of all involved are forever changed, including ours, all thanks to your efforts.

With all that we in Texas have been through over the past several years, we take great pride in the opportunity to provide fun and safe fishing events for families, allowing them to build relationships, grow, and in many cases start/continue the healing process. We look forward to being able to reach our communities in the times to come as we strive to heal from the recent strain caused by Covid-19. Here at the Fin Addict Angler Foundation, we recognize the great value of families interacting together, creating memories, and bonding through the experience of fishing. Thank you for helping us to reach our dreams and accomplish our goals, we hope that you will continue to join us on this incredible adventure. THANK YOU FOR ALL YOU DO!
